Thank you for choosing us for your staffing needs.

For **permanent placement** of Registered Dental Hygienists on a permanent basis at 2 days a week we have a permanent placement fee of \$1050.

Our payment structure allows for the employer to get to know the potential employee. Upon hiring the Employee, the permanent placement fee of \$850 or \$1050 is not due in one lump sum, but on the following schedule, so the Employee and the employer can see if they work well together.

- Upon hire date ½ of the referral fee due
- Two weeks later remaining ½ of the referral fee due

Disclosure: Should the Registered Dental Hygienist become employed 24 hours or 3 days a week, within the period of six months from hire date. Adirondack Staffing Solutions, LLC has the right to be notified so that the remaining referral fee can be invoiced. \$1800 is the placement fee for a hygienist for 3 or more days. We will credit the portion in which was paid for placement of 1 or 2 days toward the full fee.
